1. There will be rollout for all Juniors each day – please ensure you arrive in a timely fashion.
2. Riders must use correct gearing for age
4. All riders to be ready in starting area before the end of the previous race (races will not be delayed). Riders must remain behind the white line at the top of the ramp, before races and not on the green apron.
5. Riders must not ride around on the green apron to the start/holding area, but come through lower pits.
6. After your race, come off the Track quickly – after 1.5 laps so that the next race can start. We can't have riders, riding around on the green apron while a race is on.
